

## Library of Things Policy

The North Webster Community Public Library will circulate a “Library of Things”—objects which our patrons will find useful at times but not necessarily purchase for themselves. These items will be things that promote literacy, creativity, learning, or connections between people in our community.

The items will be available to put on hold, circulate for one week with one automatic renewal, and have no fines. Items will not transit through Evergreen. Items must be checked out and returned at the North Webster Community Public Library.
